# HAPPY EASTER !!!

EASTER SUNRISE AT MEAFORD HARBOUR - 2004

A CHILD'S VERSION OF THE MEANING OF EASTER

Our three year old, Nicole, was as anxious for Easter to come as she had been for Christmas. Since my wife was expecting our third child and many people were giving us gifts for the baby, I wanted to be sure Nicole was not confusing Easter with Christmas. Nicole had picked out a new dress and I took her to another store to buy her new shoes. Once again, Nicole said - " I can't wait for Easter, Daddy ! " I asked her - " Nicole, do you know what Easter means ? " In her own sweet way, with raised arms and a smile on her face, she responded at the top of her voice -  
SURPRISE !!!

What better word could sum up the meaning of Easter.
